

CJIS TRAINING RULES

These rules for Kansas Highway Patrol CJIS Training are intended to afford an orderly environment for educational experiences. Training attendees are expected to use these rules as a guide to their personal and collective conduct while attending training.

1. The consumption, use or possession of any alcoholic liquor, cereal malt beverage, or drugs on Patrol property is absolutely forbidden.
2. Smoking is not permitted within any Patrol buildings.
3. Profane, obscene or vulgar language and ethnic slurs of any type will not be tolerated.
4. The dress code is your departmental uniform or casual attire appropriate for a professional environment. Examples of unacceptable apparel includes: shorts, sweat pants, tank tops and sandals. Hats shall not be worn indoors. Clothing with obscene, vulgar, sexually suggestive or alcohol brand logos, printing or wording will not be tolerated.
5. Other than necessary service animals, no animals are permitted in Patrol buildings.
6. No personal firearms will be permitted. Any issued service firearms are to be secured in the locked trunk of your vehicle for safekeeping.
7. Park vehicles in the lower parking lot or, if available, at the dormitory building.
8. Ringers on cell phones are to be turned off or set to vibrate during class.
9. Personal conduct of training attendees should be such as to reflect pride in your agency and the law enforcement profession in general.

Any questions about these rules should be directed to a KHP CJIS Trainer.
